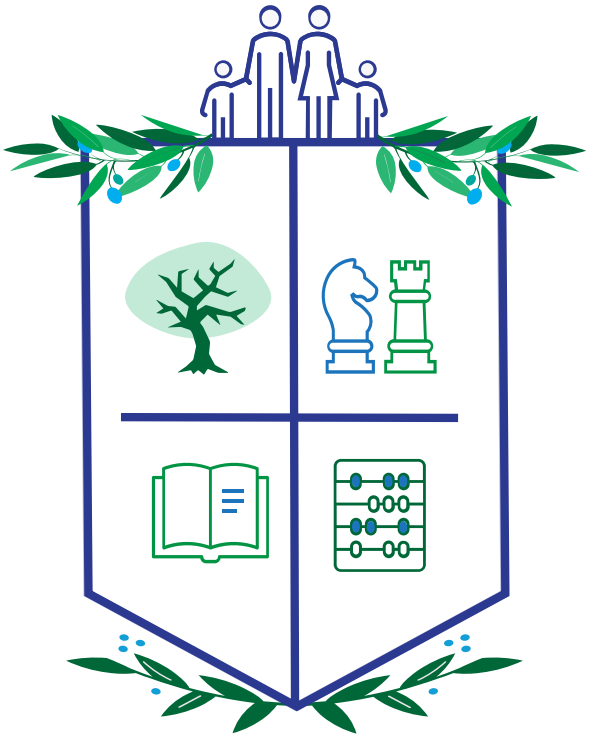
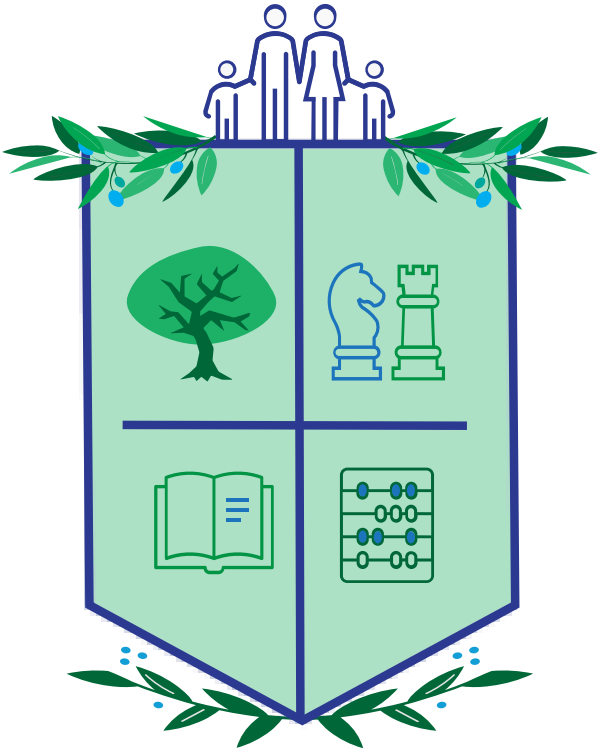
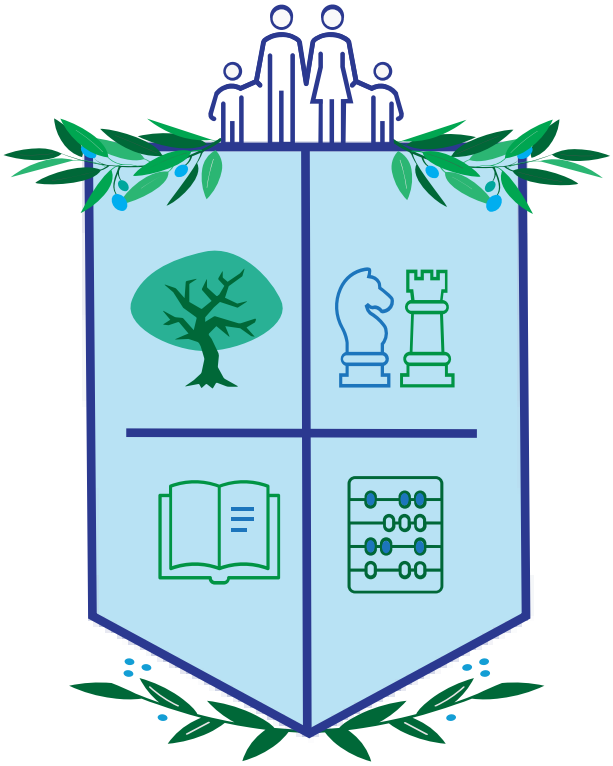
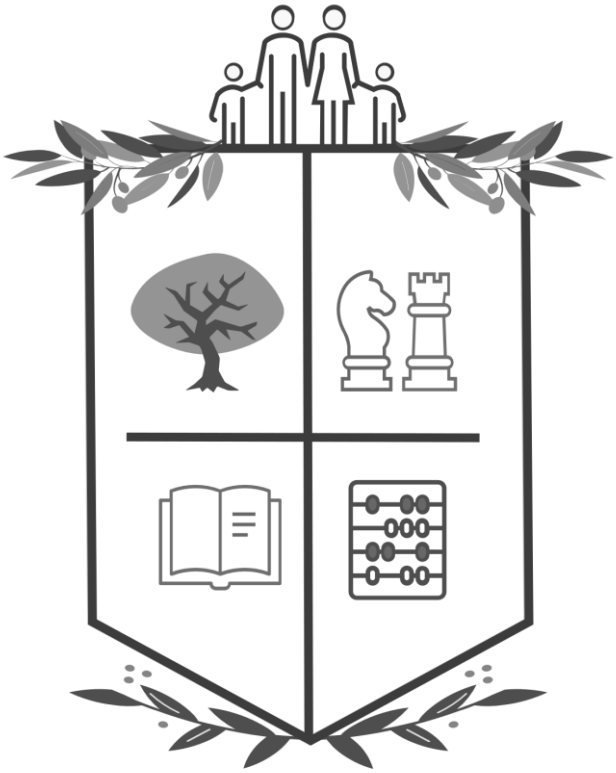
CMPG214 – Assignment 1: Communicating YOU

Sheri Prinsloo - 24131997









SHERI PRINSLOO

"I AM A SEEKER OF KNOWLEDGE. A SOLVER OF PROBLEMS —ROOTED IN LOVE. DRIVEN BY CURIOSITY."

Student number: 24131997
CMPG214
Assignment 2 - Business Analyst

IDENTITY

Family - love and loyalty.
Teacher - provider, comforter, nurturing minds and hearts.

I am a lifelong learner, a solver of puzzles, and a nurturer of growth.

PASSIONS

Logic and challenge fuel me—mathematics is my passion, and problem-solving is my playground.

I love to draw, making both analysis and artistry part of who I am.

ACADEMIC JOURNEY

Earning my BSc. in Chemistry, Mathematics, and Applied Mathematics with Physical Sciences, followed by my PGCE . Now, expanding my horizons into the digital world.

COLOUR PALETTE

Blue: Stability, professionalism, clarity, trustworthiness, openness and approachability.
Green: Growth, resilience, grounding, energy and creativity.

VISUALISATION

Chess pieces - Problem solver, logical
Book - Scholar
Abacus - Mathematics and Sciences
Tree - Growth, roots
Family - Connections

Reflection:

The hardest part of the process was deciding which visual elements best represented me, since I wanted them to truly capture my identity rather than just my abilities. I ended up removing a few elements that felt more like skills than core traits, because they didn't reflect the essence of who I am. The final design highlights the most important qualities and concepts that define me—those that shaped me in the past and continue to influence me today.

Tools and medium used:

- Canva (Infographic)
- Adobe Illustrator (Logo)
- PowerPoint (Logo and Ideas board)
